SETUP FEES

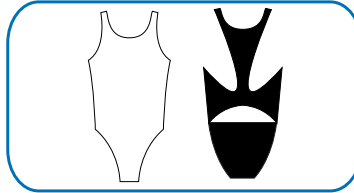

We charge a once-only setup fee to take your design brief and turn it into reality. This allows for 3 revisions of your artwork, with the final design being printed onto the actual fabric that the garment will be made from at A4 size for you to complete a final check and sign-off on.

If you want to reprint your design in the future, there are NO extra Artwork or Setup charges. You pay only the per garment rate. If you want some minor changes to your design (names, year etc) then we will charge you only for the time taken to complete those changes.
